

GATSBY | VANITIES

Emanating art and design with its combination of quality plissé leather and briarwood, the Gasby is intended for a sophisticated environment. The body is in gloss or matt lacquered solid wood and the quality marble countertop houses an undermount washbasin. The spacious drawers, with soft-close runners, are characterised by their unusual ceramic handles and offer maximum functionality and convenience.

CAPTION

H = acqua calda | hot water

C = acqua fredda | cold water

S = scarico | syphon
